Supported Your Eyes

VITOKART-I

Vitamin-C80mg Vitamin-E 15IU Zinc 17mg Tablets
Lutein 5mg Zeaxanthin 1mg Copper 1mg

Lutein & Zeaxanthin: Powerful carotenoids that accumulate in the macula.

They act as natural antioxidants, shielding the eyes from oxidative stress and

filtering harmful blue light. **Vitamins E:** Essential antioxidant vitamins that

neutralize free radicals, protect retinal cell membranes from damage, and support

overall immune function. **Zinc:** Sustains antioxidant enzymes, supports normal

retinal activity, and promotes strong immune function. **Copper:** Prevents the

copper deficiency that can sometimes occur in the body due to long-term zinc

supplementation.

Indication In:

Nutritional deficiency states

Eye strain and vision support

General weakness & fatigue

Immune support
